For Designated Trees, Benches, and Features

Whether you choose to use your family name, the name of your organization, or wish to honor and memorialize someone special, the commemorative naming program is a meaningful way to support wellness with public green space development and maintenance through the Tanner Health Foundation.

Your support will help enhance wellness through the benefits provided through public access to green space, like improved air quality, enhanced mental and physical health, promotion of physical activity, connection to nature, and opportunity for community engagement.

The Birches on Maple, in partnership with Tanner Health Foundation, offers a limited number of designated trees and benches for commemorative naming opportunities.

DONATION INFORMATION
Your generous donation will support enhanced wellness through the Tanner Health Foundation in public green space development, maintenance, and access.

Donated funds received in excess of the commemorative plaque program costs will be placed in the Tanner Health Foundation's green space fund.

Commemorative naming gifts of $25,000+ can be pledged or paid in installments over a five-year period. Donation minimums for naming opportunities are based on space size, use and visibility to patients, visitors, staff and the public. Donors with cumulative gifts of $25,000 and more are permanently

recognized in our Water Oak Society. Additional benefits and recognition may be offered based on level of gift.

To learn more about Tanner Health Foundation, or to make an additional gift in support of patient care and access to health services in our local community, please call 770-812-GIFT (4438) or email foundation@tanner.org.
